DIOCESE OF SALFORD

The Programme

At the Diocese of Salford we offer two NQT programmes. These are the Core programme and the Extended programme.

NQT Core Programme

This is the standard program which we offer to all NQT's beginning their careers in our Catholic Schools. This programme consist of 4 full day sessions at the Cathedral Centre and does not incur any cost as this is covered within your schools subscription.

NQT Extended Programme

This programme requires attendance at the 4 full day sessions offered in the Core programme plus attendance at an additional 6 full day sessions at St Joseph's RC Primary, Shaw. This programme costs £745.

The Scope of Involvement

The first day of the Core programme includes a formal Commissioning at Salford Cathedral.

The CORE programme reviews the Catholic life of the school, related curriculum topics such as SMSC, Caritas in Action and a day for spiritual development.

The Extended Programme provides additional provision and focuses on aspects of effective teaching and learning, assessment, behaviour management, special needs, as well as focused school visits to observe excellent practice, bespoke sessions and preparation for the second year of teaching. There is also input at the beginning of the year for the MENTORS of the NQTs.

The Presenters

The Diocesan Department for Education has a commissioned group of highly skilled practitioners, head teachers, teachers, consultants and advisers whose aims are to ensure the highest quality training within the programme.
