Teacher's comments:	The child showed an understanding of the qualities that someone should have to be a priest. They could explain in detail.			

1) The qualities I think that the Vocations Director should look for in a person trying to answer God's call is honesty, a trustworthy character, kindness, and a gentle character. ✓

2) I think that training takes many years because it takes alot of commitment to be a priest and you have to give up alot. Training takes so long because it can show you how much you have to give up and prepare you for priesthood. ✓

3) I think that priests ~~are not~~ ~~are not~~ do not marry because, in the commitment it takes to become a priest, they are marrying God. ✓

4) Because God lives in us all, and if YOU want to be a priest, it is probably God calling you through Jesus, who lives in your heart. ✓

5) I think he is the patron saint of priests because he was a humble priest who cared about God. He was one of the best priests in history. ✓

6) He was ~~spet~~ special because he wanted everyone to know about God: not just the children. He had the gift of being able to help people who are worried or troubled. ✓

7) • Born on 8th May 1786 ✓

• Died on 4th August 1859 ✓

• Full name: Jean-Baptiste-Marie-Vianney ✓

• Siblings: François, Marguerite and Catherine Vianney. ✓
