St Gabriel's received a monitoring Ofsted inspection in March 2020. The report can be found on our website, but reflected schools extremely rapid transformation. Some of the highlights of the report stated;

'In lessons, pupils generally demonstrated positive attitudes to learning. Most pupils want to learn. Inspectors saw very few occurrences of low-level disruption in their visits to lessons. Most pupils behave well at social times. They are polite and respectful to each other and adults'.

'The headteacher has a clear vision and wants to raise pupils' aspirations and provide them with more opportunities'.

'Staff feel that the school is moving in the right direction. Their morale is high'.

In summer 2019 the results were still extremely strong reflecting **72% English and Maths 9-4.**
