Roman Catholic High School

We Pray, We Care, We Achieve

Teacher of Science

Salary: MPS

Start: January 2020 or earlier by negotiation
(full-time, permanent)

We have an exciting opportunity for an inspiring, motivated and enthusiastic teacher to join our Science department. We are looking for someone who is passionate about their subject and determined in their mission to impart knowledge, skills and understanding to all of our young people, whilst exciting and engaging them in their learning. You should be a committed classroom practitioner with a passion for learning and teaching. You must be able to establish excellent relationships with pupils and colleagues, and work well within a team.

Working in partnership with St Patrick's National Teaching School, we are excited about the journey we have embarked on with them, and are committed to working proactively and dynamically, in order to develop and embed effective and sustainable strategies and policies designed to secure excellent outcomes for all of our young people.

As this role will involve contact with children we will take up at least two references before interview asking about your suitability to work with children. Any job offer will be conditional on you having a satisfactory Enhanced Disclosure & Barring Service Criminal Records Check and Barred List Check, having the legal right to work in the UK and having satisfactory overseas criminal records checks if deemed necessary.

Applications will be considered on receipt and shortlisted candidates will be contacted and invited to come in for a lesson observation and interview on a mutually convenient date. **Please apply by Monday 30 September 2019.**

If you have any questions about the role please contact Anna Espley on 0161 681 6178 or by email: a.espley@smrchs.com

To apply, or for further information, please visit the TES website or go to the school's website : <http://www.smrchs.com/about-us/vacancies/>

Completed applications should be submitted by email to Anna Espley at: a.espley@smrchs.com.
