# A NEW CERTIFICATE IN PASTORAL MINISTRY FOR THE DIOCESES IN THE NORTH OF ENGLAND & WALES

**T**his unique opportunity is available from February 2018 to dioceses in the North of England and others. This Certificate in Pastoral Ministry is being offered by Loyola University Chicago and has the support of local dioceses.

The customised certificate will consist of ten (10) six-week modules delivered in an online format allowing participants the freedom and flexibility of study in their own home. Integral to the course will be three days for participants to meet each other face to face facilitated by Catherine Darby SND and Mrs Veronica Murphy who are the UK co-ordinators for the course. They will gather students together for prayer, reflection and creative engagement with the overall themes. Each diocese will provide a local contact person for administration and pastoral support during the two-year course. Participants will need to be serious about their own faith development, willing to serve in the local church and have competent computer skills.

It is a non-degree, non-credit programme offered over two years, equipping teachers, deacons, catechists, and lay leaders with up-to-date knowledge, skills, and education for contemporary pastoral ministry. Those who successfully complete the entire ten module series will receive a Certificate in Pastoral Ministry from Loyola University Chicago.

The course will model adult learning and shared praxis and be rooted in theological texts and the lived experience of participants. Each module will require approximately 20 hours of time for on-line engagement, reading and reflection.
